Nyc. Now Greater Israel

pop 2 3/4 Mill. ex Jews.

Re. Les Crane Show

Garrison is a nut. It seems that only Jews do not believe Oswald killed J.F.K.

I believe Ruby had something to do with it. He peddled and displayed human flesh and was known as America's No. 1 Pimp. A Jew, for a buck, will do anything.

Now in 1968, with America in such a jam, for ~~America~~ Jews in America are becoming more & more convinced that Hitler was so right

Maybe, a hundred years from now you will prove that Babel and

Rosenbergs, the traitors were not
Jews but used Jew names.

You people are masters of deceit who
build their own nation within a
nation. International Jewry is a
thing of the past. The American negro is
getting wise to you. Jews as well the
white Christian Americans in due course
of time.
